**BEFORE THE
TEXAS COMMISSION ON

**APPLICANT'S SUPPLEMENTAL RESPONSE TO THE HEARING REQUEST OF
LEONARDO RAMOS, JR.**

Applicant URI, Inc. ("URI") files this, its Supplemental Response to the Hearing Request of Leonardo Ramos, Jr. ("Response"), pursuant to General Counsel's letter dated, September 16, 2015, 30 TAC § 55.209(d) and other applicable rules of the Texas Commission on Environmental Quality, and respectfully shows the following:

I. DISCUSSION

URI has reviewed the timely hearing request of Leonardo Ramos, Jr. whose address is listed as 580 N. County Road 1090, Kingsville, Texas 78363. This address is located in the Garcia Hill area. Mr. Ramos claims to have a water well and also claims that it has been affected by URI's mining in the area. As Mr. Ramos is similarly situated with other requesters recommended for party status, URI has no objection to his hearing request being granted and him being admitted as a party, subject to the same conditions and proof requirements as the other requesters.

Mr. Ramos' concerns regarding his groundwater well coincide with the other requests and are limited by the comments filed in this matter. Therefore URI advocates no change in the statement of the only issue in this case from its earlier filing.

II. CONCLUSION

URI does not object to Leonardo Ramos, Jr. being named as an affected person, subject to verification of the facts during discovery. URI advises that no alteration or addition to its previous statement of the single issue eligible for referral is warranted, and that no other issues should be referred. URI prays for any and all other relief to which it may show itself entitled.

Respectfully submitted,
